25th ANNUAL SUNSHINE KIDS TEEN LAKE ESCAPE

Lake Travis, TX

July 29-August 2, 2015

A total of 20 young cancer patients, ages 12 to 17, from hospitals across Texas and Louisiana will be attending the **"25th Annual Teen Lake Escape"** July 29-August 2 in Lago Vista, TX. The kids will participate in various water sports, enjoy a golf clinic at Point Venture Golf Course, have the opportunity to be a part of a hands-on law enforcement demonstration presented by Travis County Sheriff's Office and so much more! The child participants and medical volunteers will be graciously hosted at the home of Jim and Linda McIngvale on Lake Travis.

This trip is provided free of charge for the children by **The Sunshine Kids Foundation**, a national, non-profit organization dedicated to providing quality group activities for children with cancer. This week-long adventure and much needed break for the kids is only made possible through the hard work and dedication of our long-time greater Lake Travis area volunteers and donors.

We invite you to share this unique experience with the children as they have a chance to forget about hospitals for a while and just have fun! Please log on to our website at www.sunshinekids.org to learn more about the Foundation and the children we serve.
